First steps

First you are clear about the place which you want to show us in your short film.

to snow as in your snort inin.	o'algi_tot
Find tout material in the internet and make a su	manage of the toyto
Find text material in the internet and make a su	immary of the texts.
Think about the presentation of the place. Who One or two persons?and try to write your firs your favourite place.	
A little humour is always good! Make some joke	es in your dialogues.

2

And Action!
